

# FAQ

## **WHAT IS HOME HEALTH CARE?**

Home health care offers part-time, intermittent medical services to patients who are homebound due to a medical condition. It helps patients stay comfortable at home while receiving necessary care, promoting independence and improving overall health.

## **WHO QUALIFIES FOR HOME HEALTH SERVICES?**

Patients must be under the care of a licensed physician, dentist, or podiatrist, and be homebound, requiring intermittent care such as observation, education, or hands-on treatment.

## **WHO PAYS FOR HOME HEALTH CARE?**

Home health care is typically covered by Medicare, Medicaid (Medi-Cal), most major insurance plans, HMOs, and some private insurance providers. Our staff will verify your insurance coverage for you.
